TRANSAMERICA®

HOW DOES AUTOMATIC ENROLLMENT WORK?

You will be automatically enrolled in the plan as soon as you meet these eligibility requirements:

ELIGIBILITY

- You must be at least 21 years of age.
- You must complete 1 year(s) of service.
- Once enrolled, 2% of your pay will be deducted from your paycheck on a pretax basis and contributed to your retirement plan account each pay period.
- In addition, the company may offer a matching contribution to the plan.
- You will receive an automatic enrollment notice with more detailed information.

WHAT DO I NEED TO DO?

Designate your beneficiary by simply registering online at **transamerica.com/portal** and then selecting “Beneficiary Designation” in the left menu. Once you’re on the “Beneficiary Designation” page you can designate your beneficiary. That’s it, unless you would like to make changes to your contributions or investment choices. Fees and charges may apply.†

HOW DO I MAKE CHANGES TO MY CONTRIBUTIONS AND INVESTMENT CHOICES?

You can easily make changes to your contributions and investment choices. Go to **transamerica.com/portal** and click the red log in button. Follow instructions to create a new account.

You may also wish to establish your own personalized investment strategy by selecting your contribution level and investment choices. You can transfer out of the default investment choice, and change your future contribution amount at **transamerica.com/portal**.

If you decide to opt out of automatic enrollment, you will need to change your contribution rate to 0%.

One-step diversification with *PortfolioXpress*®

Transamerica’s automatic asset allocation and rebalancing service uses the funds available in your plan and the retirement year and risk preference you choose to present you with a diversified investment mix for today and a “glide path” of adjustments for tomorrow. Once you agree, the service automatically:

- Allocates contributions to reflect your mix, based on a selected retirement year.
- Regularly rebalances your portfolio to maintain your mix.
- Adjusts your mix to become more conservative over time.

Since you’ve been automatically enrolled in *PortfolioXpress*, your account has been set up to invest in a portfolio that most closely matches the year you will turn 65.

†ASSET BASED CHARGES Depending upon the investments selected and the specific characteristic of your group, including, among other things, the size of the group, the level of existing and projected plan assets, and any optional features selected for the plan, some or all investment choices may be subject to certain asset based charges (or credits). We refer to the charge as a “variable asset charge/credit” (VAC) or a “plan service fee/credit” (PSF). The charge may be assessed: 1) across all investment choices based on required revenue; 2) across all investment choices for a limited period; or 3) on specific investment choices. For more information about fees, charges, and credits, please see your plan administrator.

PortfolioXpress® is a registered service mark of Transamerica. *PortfolioXpress®* presents a series of asset allocation models up to and through a designated retirement year. You are solely responsible for choosing the retirement year and risk preference (if applicable). By subscribing to the service, you agree to each of the asset allocation mixes and automated rebalancing transactions that will take place over time within your account as you approach the selected retirement year. If you sign up, you should carefully review the service agreement for additional information regarding other terms and conditions that may apply to this service. *PortfolioXpress®* is designed as investment education. Transamerica or its affiliates do not provide investment advice to *PortfolioXpress®* nor does Transamerica act as a plan fiduciary. Retirement date portfolios are subject to the same risks as the underlying asset classes in which they invest. The higher the portfolio's allocation is to stocks, the greater the risk. The principal value of the portfolio is not guaranteed at any time, including at and after the target date. Diversification does not guarantee against loss in a falling market.

CAN I CONTRIBUTE MORE OR LESS?

Yes, you can contribute up to the IRS limit. And, if you are age 50 or older, you can make additional "catch-up contributions" to the plan. You can also contribute less than the automatic amount, or not at all.

HOW ARE MY CONTRIBUTIONS INVESTED?

Your contributions under the automatic enrollment provision will be directed to *PortfolioXpress®*. Please see the Automatic Enrollment Notice for more information.

ADDITIONAL PLAN INFORMATION

YOUR CONTRIBUTIONS

- Your traditional contributions are deducted from your paycheck before taxes each pay period.
- Your plan allows you to invest up to the maximum allowed by the Internal Revenue Code limits.

IRS CONTRIBUTION LIMITS

- The IRS limits how much you can contribute each year; the current total combined before- and after-tax IRS annual limit is \$23,500 in 2025.
- You may invest for retirement with traditional before tax dollars, after- tax Roth dollars, or a combination, up to the overall limits noted in the following section. In general, choosing which one depends on whether you think your income will be subject to a higher or lower effective tax rate when you withdraw your money in retirement. Non-Roth after-tax contributions do not count toward the IRS limit. However, they are counted when determining the limit of total plan contributions made by you and your employer.

UPDATING YOUR CONTRIBUTION RATE

- You may increase or decrease your contribution to the plan on any business day. Changes will take effect as soon as administratively feasible.
- You may also stop making contributions at any time.

ENTRY DATE(S)

Your entry date is January 1, April 1, July 1, and October 1.

CATCH-UP CONTRIBUTIONS

50 or older? Good news! If you'll be at least 50 years old this year, you may be able to make extra "catch- up" contributions above the regular IRS voluntary deferral limit, \$7,500 in 2025.

If you are age 60 to 63 during the calendar year (not age 64 before the end of the calendar year), the catch-up contribution amount you may elect to defer is further increased as allowable by law and to the extent permitted by your plan. Please contact your Plan Administrator or Transamerica if you have any questions.

ROLLOVERS

You may roll over your plan account balance from a prior qualified retirement plan at any time.

Review the fees and expenses you pay, including any charges associated with transferring your account, to see if consolidating your accounts could help reduce your costs. Be sure to consider whether such a transfer changes any features or benefits that may be important to you.

VESTING

Vesting refers to your "ownership" of your plan account — the portion to which you are entitled even if you leave the plan. You are always 100% vested in your own contributions, including any rollover or transfer contributions you have made, plus any earnings on them.

COMPANY CONTRIBUTIONS

MATCHING CONTRIBUTIONS

The company will make a non-discretionary matching contribution of 20% of the first 100% of compensation that you contribute to the plan. The company matching contribution is not subject to a limit on your eligible compensation.

Catch-up contributions are accounted for when calculating employer matching contributions.

ELIGIBILITY

- You must be at least 21 years of age.
- You must complete 1 year(s) of service.

ENTRY DATE(S)

Your entry date is January 1, April 1, July 1, and October 1.

VESTING

The company's contributions are vested as follows:

YEARS OF SERVICE*	PERCENT VESTED
Upon completion of 2 years	20%
Upon completion of 3 years	40%
Upon completion of 4 years	60%
Upon completion of 5 years	80%
Upon completion of 6 years	100%

*A year of service for vesting credit for company contributions is based either on completion of 1,000 hours of service or elapsed time. If the plan uses elapsed time, credit is given regardless of the number of hours worked in a designated twelve-month-period. Please see the plan's summary plan description for more information on how service is calculated.

PREDECESSOR EMPLOYER

Your years of service with a predecessor of the company will not count toward your eligibility.

LOANS + DISTRIBUTIONS

Your plan offers a loan feature, so you may borrow from your account based on certain provisions. However, as a general rule, loans should be taken from retirement investments only as a last resort. Please check with your plan administrator and refer to your Summary Plan Description for details.

Consider when you take money out of your retirement plan account, it's no longer earning money for you on a tax-deferred basis, and you may lose potential growth to help fund your retirement. If you decide to suspend contributions to your retirement plan account while making your loan repayments, you further reduce your retirement savings.

While you are actively employed you may be able to take withdrawals from the vested portion of your account, under some circumstances and subject to the plan's rules. For more information, log on to your plan's website or call your plan's toll-free number. Withdrawals of before-tax contributions, and of earnings on any contributions, will be subject to income tax, and withdrawals made before age 59½ may be subject to an additional 10% penalty. Please check with your plan administrator and/or refer to your Summary Plan Description for details.

IN-SERVICE WITHDRAWALS

EARLY WITHDRAWALS

You may make a withdrawal upon reaching certain requirements. See your Summary Plan Description for details.

HARDSHIP

If you meet the definition of hardship, you may be eligible to make a withdrawal from the plan. For more information about the strict rules governing hardship withdrawals, refer to your Summary Plan Description.

Plan loans and in-service withdrawals are subject to plan restrictions. You may have to provide documentation in order to qualify for certain plan loans and in-service withdrawals.

ELECTRONIC DELIVERY OF DOCUMENTS

Sign up for e-documents and you'll receive an email when plan-related documents and notices are ready for online viewing. Log into transamerica.com/portal, click **VIEW DETAILS**, hover over **Documents and Forms** in the top navigation bar, and click **E-documents**. In addition to e-delivery, you have the right to request and obtain paper versions of your plan-related document(s) free of charge by calling **800-401-8726** or with an online request by logging into transamerica.com/portal, click CONTACT US and completing the applicable fields.

You have the option to receive e-documents. These automatic email alerts can help you save time, reduce clutter, and go green. You'll receive an email when your account-related materials are available online. Sign up by logging in to your account at transamerica.com/portal.

Consider consolidation

If you have money in a former employer's retirement plan, there are several options available that may simplify your financial life. These include cashing out, keeping the money where it is, or rolling the funds into an IRA or your employer plan with Transamerica. For more information about your options, call **800-275-8714** or email **consolidate@transamerica.com**.

When considering your options, be sure to review the fees and expenses associated with each option. Also, be sure to consider whether there are certain services, features, or benefits available through certain accounts that may be important to you.

For additional plan information, please contact your plan administrator or refer to your Summary Plan Description. Descriptions of plan features and benefits are subject to the plan document, which will govern in the event of any inconsistencies.
